

DECLARATION REGARDING GRADUATION AND TERTIARY STUDIES

1. The SAQA registration of the School of Tomorrow College Entrance Certificate (CEC) expires on 30 June 2019. The CEC qualification assumed its sunset phase as of 01 July 2015. Beyond 30 June 2019 the qualification will enjoy legacy status (similar to the Senior Certificate that was replaced by the National Senior Certificate in 2008), however students will need to have completed the qualification by 30 June 2019.
2. Universities South Africa (USAF) has confirmed in writing that any student who has successfully completed the CEC by 30 June 2019 will be able to apply to tertiary institutions via the Senate's Discretionary Route.
3. A.C.E. South Africa will only issue a Statement of Completion after June 2019 that does not represent a qualification. Access to tertiary institutions or employment will be at the sole discretion of the relevant parties.

We, _____ (Learner's name), and _____

_____ (Parent's name), hereby declare that we have taken note of the above and understand that a student who **intends** to graduate with the School of Tomorrow College Entrance Certificate (CEC) by 30 June 2019 does so with the understanding that:

- a) A.C.E. South Africa will not be in a position to issue the CEC to learners who graduate after June 2019 and that such learners will have to consider alternative qualifications such as the General Education Diploma, the National Senior Certificate or the Cambridge International Examinations to be able to gain access to tertiary institutions or apply for work and,
- b) A.C.E. South Africa will not be in a position to guarantee that CEC graduates will be able to gain access to **all** universities in South Africa as admission will be at the discretion of the individual institution and,
- c) Acceptance at a particular university or faculty is further dependent on a student meeting the specific entrance requirements as determined by the Senate of the institution.

We hereby confirm that we have read, and understand this declaration, and that we hereby exempt A.C.E. South Africa and _____ (School name) from any liability in this regard.

Dated at _____ this _____ day of _____ in the year _____.
